FOR SOCIAL SEC 2019/20

WHO AM I?

- Second year saxophonist currently in America for the semester
- Last semester I played in MUBB, MUWO, sax ensemble and was MD of NQBB.

WHY I WANT TO BE SOCIAL SEC

- I love organising events and after uni I hope to get into the field of event/festival organisation so being social sec would provide me with more tools to help me achieve this!

MY ORGANISING EXPERIENCE @ UNI SO FAR

- First Year – I was secretary of Owens Park Resident's Association and played a large role organising events throughout the year including an Easter Ball, casino nights and Fallowfest.
- Second Year – Last semester I was the Outreach Programme and Activities Board at Arizona State University and we put an event called MUAD every other week.

IDEAS AS SOCIAL SEC!

- Organise a wide variety of events that aren't just clubby for instance a MUMS casino night and MUMS speed dating (lol)
- And of course organise some crazy parties and a fun ball! Perhaps I'll bring some American party culture back with me...
