

Vote for Harrison Perkins, Social Sec

Interests: Helping people off fences, growing my afro, blowing my saxophone.

About: Saxophone in the Biggus Bandus (come on the 22nd March, it be lit)

Social sec aims: To organise events that every member of MUMs will come to (even third years). Maybe facebook polls for ideas. Get a few ensembles and bands to play in an open mic/cabaret night while on the piss up.

Experience: Organised lots of ensembles, a few successful gigs and events; including a few charity events, one of which raised over £250 for a local charity. I think I'm good at planning night out motives.

Hobbies: Cooking fajitas at Euan's, Bandaoke-42s?, spending way too long on the bus and not sleeping enough.
